MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

March 16, 2004

April has traditionally been California Earthquake Preparedness Month and this Board has continued to demonstrate its commitment to emergency preparedness by supporting the County's acclaimed Emergency Survival Program (ESP). This information and education campaign encourages the public to prepare for earthquakes, terrorism and other emergencies by taking a different preparedness action each month of the year. To this end, the Board of Supervisors encourages all employees, residents, neighborhood organizations, businesses and schools to take advantage of the information available to them to increase their knowledge and awareness of proper procedures to follow before, during and after an earthquake or other emergency.
